was received ^{and} read, ^{and}, on motion, adopted, as
follows; substituting the word Charitable for Christian
in the Preamble -

Met in Guild Auditor Room No. 5
SAR. Lynn, March 27, 1873

At a regular meeting of the Past held this
evening, the following was adopted ^{and} ordered to
be published in the Lynn City Paper, -

Whereas - The successful result of the late Fair
was, in a very great measure attributable to the
Efforts ^{and} praiseworthy noble aid, rendered by a
charitable public - ^{and} the fund for relief to the
disabled ^{and} widows ^{and} orphans thereby considerably
augmented, - thereby enabling us to continue in our
Christian work, of dispensing aid ^{and} comfort to
the needy - therefore,

Resolved - Remembering, as we do, that the
Widow's suite was as acceptable to our Lord ^{and}
Master, as the more sumptuous gift of the
wealthy ^{and} fearing, if individuals who assisted
us, were named, that some might accidentally
be omitted - that the sincere thanks of the Past
are due to each ^{and} all, who, in any way, contributed
toward the success of the Fair.

Resolved: That, appreciating the interest
expressed by active ^{and} word, of our citizens
toward our organization, that we will endeavor, as
in the past, so in the future, to merit their regard ^{and}
good will, to the end that our friends may feel that
the assistance rendered by them has not been in
vain, but, rather, bestowed upon those who can estimate
its value, ^{and} in return, tender to them the brother's "God bless you".

The Picture Committee, that evening by
unanimity in the frames of the pictures, asked that
consent might be given to have the picture of ^{our} late
Comrade Merritt might be made to conform to
the others on the walls, which was granted.

Officers absent duly noted - S. V. C. -

Records of last meeting read ^{and} approved.

Report of Quartermaster accepted.

Comrade Surgeon Graves presented the case
of a soldier, not a member of the Post, who is
quite sick, ^{and} to all appearances will live but
a short time - the family are in needy
circumstances.

Comrade Wallace, from
the Relief Committee, subsequently presented
the matter to the Post, ^{and} asked for instructions
in reference to the case. It was voted that the
matter be referred to the Relief Committee, with
full powers to act.

Comrade Carh reported Comrade Mace as very
sick.

The Committee on the application of George
D. Oliver, ^{and} on the transfer Cards of B. C.
Brownshield ^{and} Timothy Hurley reporting
favorably, they were severally balloted for ^{and}
declared duly elected.

It having come to the ears of the Commander
that 'improper action had been taken in connection
with a decision made at the previous meeting,
correspondence had been ^{held} with the A. A. G., the reply to
which was read by the Commander to the Post, in
which it was stated that no member from Post 5
had been seen by the A. A. G. at Mel. 22, within a
week - this of course, reflected upon the veracity of
Comrade Frey, who had reported having seen the
A. A. G. ^{and} had gained from him a decision adverse to
that of the Post Commander. Whereupon Comrade
Frey requested that a Committee might be appointed

for the purpose.

On motion of Comrade Adams, it was voted that a Committee of one be appointed to accompany Comrade Frey to Gd. Dr. that he might identify the party who rendered to him the decision, ^{and} Comrade Jamis was appointed as that Committee.

The application of Henry F. Segar, recommended by Comrade Harp, ^{and} of A. L. Short recommended by Comrade Adams, were referred to Comrades Carlton, Frank Panchase ^{and} Moore as Investigating Committee.

Comrade Kenley, elected on Transfer Card, was presented by the Officer of the Day, ^{and} welcomed by the Post Commander.

Comrade Adams, from the Picture Committee, reports that he has secured the pictures of our late Comrades James M. Davitt ^{and} George V. Skill.

Comrade Fitz, on behalf of the managers of the Catholic Fair, now being held in Exchange Hall, requests the loan of the Wheel of Fortune belonging to the Post, which was, on motion, granted.

Dr. Wm. B. Reynolds, Wm. Minton, W. L. Aldrich ^{and} Wm. L. Pratt, have been duly elected, were sustained.

The Auditing Committee appointed to examine the accounts of the Quartermaster report having attended to their duties ^{and} found the accounts correct.

Comrade Woodhams, Secretary of the Relief Committee, submitted the Quarterly Report of that Committee, which was referred to Comrades Flint, Knight ^{and} Wilson as Auditing Committee.

The Quartermaster asked for instructions in connection with the price to be paid for sashes -

One was presented for examination, the half dozen of which could be purchased for eleven dollars (\$11.00) each, other prices were given, when a motion was made that the Quartermaster be instructed to purchase the sashes at eleven dollars (\$11.00) each; - amended, that the sashes be purchased at a cost not to exceed fifteen

dollars (\$15.00) - The amendment was lost, when, the question recurring on the original motion, it was carried, voted to increase the number of sashes to seven?

A motion was made by Bourade Flint that a Committee be appointed, in place of our late Bourade Benson, to print the names and have them placed with the pictures on the wall. Upon enquiry it was found that Bourade Adams had already been appointed to fill the vacancy, and the motion was withdrawn.

As our regular Camp Fire, which is to be the last of the season, takes place on the evening of our next meeting, and as a guard against trespassing upon the wee small hours, it was voted that the time of our next meeting be at seven o'clock instead of half past seven.

Courade King - being called upon, made a

was necessary to assess 10 or 15 cents at our

from the Camp Fire Committee, replied, that
the amount called for was not compulsory,
but optional with the Courades - that the
necessary expenses incurred in carrying on
the Camp Fires, in order to carry out the plans
of the Committee, would draw heavily upon the
Fund, and the assessments, or amounts received
at each Camp Fire, had not paid the expenses
incurred.

Lynn, Mass. Dec. 13, 1873

Agreeable to a call made last evening at
the Camp Fire, a Special meeting of the Post
was held to consider the matter of the statue
for the monument and uniforms and muskets
for the drama.

On calling the meeting to order, the Commander
read a communication presented by members of
the Post in connection with the statue for the
monument, at its meeting on the 24th inst. whereby
the Post pledged itself to the sum of \$575.00, the
said amount to be deducted from the proceeds of
the coming Fair.

After remarks by members of the Post on both
sides of the question, the motion of Comrade
Adams, that the vote whereby we offered to raise
\$575.00 be reconsidered, was carried.

This brought us back to the amendment of Comrade

Fuller, "that the proceeds of one day of the Fair be devoted to raising the \$575.00 for the monument."

The motion of Bourade Morau, that the matter be postponed to our next regular meeting, was lost.

The question was then put on Bourade Fuller's amendment, and declared lost.

The question recurring to the original motion of Bourade Robinson, "that \$575.00 be appropriated for the monument from the proceeds of our coming drama," with the amendment by Bourade Fuller, "that the Post pledge themselves to raise the amount," a vote was taken and declared lost.

The motion of Bourade Redman that a Committee of three be appointed to confer with the Citizens Committee on the monument, and see if they would accept \$575.00, provided the Post should raise it, to place the statue on the monument - to report next Thursday Evening, was carried, and Bourades Redman, W. H. Newhall and MacFarlane were appointed as that Committee.

The motion of Bourade Martin that the same Committee confer with Mr. Blithen concerning the time they should have to carry out the arrangements, was lost.

Having thus far concluded the matter of the monument, attention was called to the second part of the call relating to Uniforms and muskets.

Bourade Mitchell presented some figures received for these articles.

The motion of Bourade Adams that the sense of the meeting be taken that 50 muskets ^{or sets of} and Uniforms be purchased for the Post - the Uniforms to be blouses - was put, and the majority of the members were found to be in favor of the purchase.

Commander Cook recommended that an article be incorporated in our By-laws, that no money should be drawn from our Post or Relief Fund, unless by a vote of two thirds of the members present.

A special meeting of the Post was held this evening to make the necessary arrangements in connection with the death of our late Comrade

Post Surgeon Dr. Benjamin B. Reed,
at which Comrauder Barf presided.

In opening the meeting our Comrauder spoke in feeling terms on the death of our late Comrade, referring to his lively interest in all matters pertaining to the Post, ^{as well} his public and private relations.

Comrade Kellum followed, giving expression to the friendly reception extended to him by the deceased when he first came to our city, in contrast to the general feeling exhibited among those in the same profession.

The motion of Comrade Kellum, that "we attend the funeral of our late Comrade in full uniform in a body, and proceed to the cemetery, was carried.

Comrades Fuller ^{and} Brown were designated by the Comrauder as Pall bearers for the occasion.

The motion of Comrade Macfarlane that a Committee of three be appointed to draft resolutions of respect to our deceased Comrade, was amended by Comrade Bartlett, that our Charter be draped in mourning for the usual length of time, ^{and} as amended, was carried.

Comrades Macfarlane, Kellum ^{and} Brown were selected as that Committee.

Comrade Kellum, in connection with the matter of resolutions, hoped that any resolutions, if any existed, whereby the same were to be withheld from the local press for publication would be suspended in this instance, ^{and} that the respectable papers of the city ^{be furnished} with a copy for publication.

Comrade Brown, in seconding the wish of Comrade Kellum, paid a tribute of respect to the memory of our deceased ^{and} Comrade.

Comrade, ^{and} because of his high standing ^{and} position, ^{and} the deep feeling of respect ^{and} esteem which govern us, hoped the action in reference to the suspension would be made in this case.

Comrades Redman, Flint, Peaslee, ^{and} Fuller, although entertaining the highest regard for our late Comrade, opposed the measure on the ground that impartiality should be shown, that we are all on the same footing, ^{and} although one may be clad with a rough exterior, beneath beats a heart throbbing with true ^{and} earnest, warm ^{and} gushing feelings of Friendship, Liberty ^{and} Loyalty.

Comrade Pomeroy presented the following -
Resolved, that any resolution or usage of this Post whereby the publication of resolutions in respect to the death of any Comrade are existing, that the same be rescinded -

Amended by Comrade Hellam, by inserting, that it be the rule of this Post in future that when they draft resolutions in respect to deceased Comrades they be published in the Sign Papers.

This led to a spirited discussion, ^{and} as Comrade Hellam considered there was quite a misunderstanding on the subject, withdrew his amendment.

The motion of Comrade Pitts, that the matter be laid on the table until our next regular meeting, was lost.

The question being put on Comrade Pomeroy's resolution, it was declared lost.

Three hundred thirty-seventh regular meeting of Sealander Post, No. 5, L. A. R. Opened in due form, Commander Cook in the chair - Officers absent - S. R. C. - Surg - O. S. -

Records of last meetings read ^{and} approved, with the exception of the words "in this instance", in connection with the publication of resolutions, which were ordered to be expunged, at the instance of Com. Killam, as he did not intend to embody them in his wish, as expressed.

The Reports of the S. M. for the two previous weeks were read ^{and} ordered to be placed on file, John M. Barnard Jr having been duly elected, was sustained.

Comrade Killam presented the application of B. K. Beau, late private Co. "I", 5th Maine Vol., which was referred to Comrades Hawkes, Brown ^{and} still as investigating Committee.

Comrade Toruan, from the Committee on Resolutions, submitted the following:

Whereas: it hath pleased our Heavenly Father to take from us our late Comrade ^{and} Brother Comrade B. Fred. M. J. in the prime of his life ^{and} the midst of his usefulness,

Resolved - that we bow with humble resignation ^{and} sorrow to the dispensation of Divine Providence - that we recognize with gratitude the distinguished worth ^{and} valuable services of our friend ^{and} Comrade in the various positions of usefulness he has filled, as a Surgeon in the Union Army, during the dark days of the Rebellion; as Surgeon of the Post, in the earlier years of its existence; as an upright ^{and} useful legislator of the Commonwealth; as a member of the City Government, in which he was the presiding officer of the Common Council;

as a member of the medical profession, ^{and} an Editor ^{and} journalist; ^{and} in every station, public ^{and} private, he has been called to fill - that we record our full appreciation of his purity of life ^{and} character - his eminent abilities, improved by the highest culture - his moral, social, religious ^{and} domestic virtues, ^{and} his good example in every relation in life.

Resolved - that we tender to the bereaved widow ^{and} family of our departed Comrade, our sincerest sympathy in this hour of their deep affliction, ^{and} invoke for them the consolations of religion, ^{and} the blessing of some "who tempests the wind to the shore land," ^{and} without whose notice not even a sparrow falls to the ground - trusting, as we do, in His Providence - believing ^{that} "the summary of the just is blessed," ^{and} that for all the good ^{and} faithful there is a life of unending felicity beyond the grave.

Resolved - that in token of our sorrow, the Charter of this Post be draped in mourning for thirty days.

Resolved - that these resolutions be entered in the Records of this Post ^{and} a copy of them be sent to the widow ^{and} family of our deceased Comrade.

(Signed) John Macfarlane
J. B. Torrance
C. R. Gillman

On motion of Comrade Bartlett, voted that these resolutions be published in the Reporter, Transcript ^{and} New Era.

This matter led to an animated discussion on the publication of Resolutions. Several Comrades have passed away, ^{and} resolutions passed to their memory had been withheld from the local press; these were dwelt upon - ^{and} although no vote of the Post had made such action imperative, nor were

the Committee appointed to draft these resolutions instructed to withhold them from the press, yet it has become a usage of the Post not to include a resolution that they be published in the local papers.

Comrade Fuller offered the following resolution -
Resolved, - "that upon the death of any Comrade of this Post, a Committee be appointed to draft resolutions of sympathy, to be entered upon the Records of the Post, a copy transmitted to the family of the deceased, ^{and} published in such local papers as the Post may designate."

After due deliberation ^{and} consideration of the resolution, the question was called for, ^{and} on being put, was declared in the negative.

On motion of Comrade Webster, voted, that the vote whereby we voted to publish the resolutions in the Reporter, Transcript ^{and} New Era, be reconsidered.

Voted, that the resolutions, as presented by the Committee, be adopted.

Comrade Adams, from the Picture Committee, made some remarks in relation to procuring the descriptions required to be placed with the pictures of our deceased Comrades, now hung upon our walls, ^{and} asked to be excused - at the same time introducing a motion that the Adjutant be directed to perform the duties -

Voted, that he be excused ^{and} that the duty devolve upon the Adjutant.

Comrade Redman, from the Committee appointed to confer with the Citizens Committee in relation to the statue, reported having attended to that duty, ^{and} find the Committee not disposed to accept the tender of the amount specified. The report was accepted, ^{and} the Committee discharged.

In connection with the matter of uniforms ^{and} muskets for purchase for use in our Dragoon Co,

Courade Manchester reported figures secured for these articles, while in Faintow.

On motion of Courade Adams, voted, that the Drama Committee be instructed to purchase 50 muskets and accoutrements, and 50 sets of uniforms for the use of this Post.

Courade Miller, from the Committee appointed to confer with a Committee from the Stampscott Post, in relation to an Entertainment, asks for the use of the Stage Scenery belonging to the Post.

On motion of Courade Scamell, voted, that the request be granted.

The Drama Committee reported progress.

Courade Scott submitted the following motion - "that on the death of any Courade of this Post, no resolutions be published in the Sign Papers."

Courade Adams moved to lay the matter on the table for one week -

Amended by Courade Redman that it be laid on the table for three weeks, ^{and}, on amendment, carried.

A special meeting of the Past was held
this evening, agreeable to a vote taken at our
last regular meeting, concerning the raising of the fund.

The object of the meeting was stated to decide
ways and means for defraying the expenses
of our coming Memorial Day.

The Adjutant submitted the motion, that
the sum of Four Hundred Dollars (\$400.00), be
taken from the Past Treasury, to defray the
expenses of the Past on Memorial Day.

This motion was debated upon by a number
of Couraders, it being questionable whether
the funds of the Past could be voted away at a
special meeting - the sense of the members
present was taken, when it was voted to
entertain the motion -

Courader Parsons offered as an amendment,
that an account be taken from the Past Treasury
not to exceed four hundred dollars -

The amendment being put, was declared lost.
The question recurring on the original motion,
it was declared carried, 56 voting in the affirmative,
and 14 in the negative.

On motion of Courader Adams, it was
voted, that we receive no money from this City
Government to defray our expenses on the coming
Memorial Day.

On motion, voted, that a committee of five be appointed to consider the best method of replacing the four hundred dollars; to report at our next regular meeting.

Very much interested in the
meeting of the Lyons Park Assoc.
held on the 14th inst. in the
evening.

It was a very interesting
meeting, of last meeting, and
was well attended.

The Rev. Mr. Rogers presented a
report on the progress of the
work since the last meeting. Since then not an
independent church has been added.

The death of General John Ray has been
appropriately mentioned.

Mr. Rogers has also left
some very interesting letters and
manuscripts.

The application of Mr. J. Manning, to
be a member of the Assoc. has been referred to the
Assoc. and it is thought that it will be
advised.

General Rogers gave the following
opinion to the Assoc. on the death of
General John Ray, a paper on the following subject
was accepted.

Resolved, That we do not
believe in the immortality of the soul of man, and
therefore do not believe that his soul is going
on to some other world, but that his soul is
the same as the body by which it is clothed
and is a mere mortal. We do not believe that
that which we call the death of man is his death
and that he is immortal and that he will
live again in some form.

Resolved, That we do not believe in the
existence of a God, and that we do not believe
that there is any power that can be exercised
over the human mind, and that we do not believe
that there is any power that can be exercised
over the human body.

The first thing I noticed when I stepped
out of the car was the cold. It was a
sharp contrast to the warm blanket I
was sitting under. The air was crisp and
clear, and I felt a sense of freedom.

I had been told that the weather was
just what I needed. I had been sitting
in the car for hours, and I was
tired. But now, I was out there, and
I felt like I was finally home.

The sun was shining brightly, and the
birds were singing. It was a beautiful
day, and I was so happy. I had been
waiting for this moment for so long, and
now it was here. I was finally free.

I had been told that the weather was
just what I needed. I had been sitting
in the car for hours, and I was
tired. But now, I was out there, and
I felt like I was finally home.
